

Enunciado 48

Haremos una web que se vea así:

The image shows a web interface for generating a temporary password. At the top, the title "Correo temporal" is displayed in a light blue font. Below the title is a white input field containing the text "eF2*i". To the right of the input field is a blue icon of two overlapping squares. Below the input field is a slider control labeled "Longitud" on the left and the number "5" on the right. The slider bar is a dark teal line with a circular handle at the beginning. Below the slider are four checkboxes, each with a checked mark and a label: "Con letras en minuscula", "Con letras en mayucula", "Con numeros", and "Con Simbolos". At the bottom of the form is a large teal button with the word "CREAR" in white capital letters.

Debe generar una contraseña teniendo en cuenta los parámetros del formulario.
